

Ollie the Owl in the Nighttime

Copyright: Palma Smiley 2010

Say: God made owls to sleep in a tree during the day.

God made owls to hunt food in the night.

Song tune: I Love Little Pussy

The moon light was shining.

Ollie's eyes opened wide.

He loved to see moon light
shine brightly at night.

Verse Two:

The stars were all twinkling,

"Come follow our light.

We'll show you the best place
to eat this great night."

Verse Three:

He flew high as the sky.

Then made a deep dive and

ate both fish and froggy. He liked every bite.

Say: It was almost time for the stars and moon
to say, "Good morning!" Ollie had a great time.

He loved flying in the dark and
finding just what he liked to eat.

Now, it was time to fly back to his home in the tree.

Let's fold our hands and bow our heads to say a prayer:

Thank You, God, for making the smart and pretty owls that live in the
trees. Thank You, God, for smart owls to fly in the nighttime. Thank
you, God, for happy times in our Bible Class so we can learn about
your owls and many other things.

Thank You, for our Bible Class,

In Jesus' name, Amen

Ollie the Owl in the Daytime

Copyright: Palma Smiley 2010

Ollie Owl hunted food all the night, but now it is day time and he is in his nest in a tall green tree where he can sleep the whole day long.

Song tune: I Love Little Pussy

This owl's name is Ollie.

He sleeps in a tree

and all through the daytime,

he never sees me.

Up high in a green tree
Our Ollie hears sounds.
The birds are all chirping.
The bees buzz around.

He ate frogs at the lake

Then flew home to rest
and remember the taste
of fish at its' best.

It's time for us to say a prayer and thank God for the good life Ollie Owl has. He has a home in a tree and a lake filled with good food to eat. Let's fold our hands and bow our heads.

Prayer:

Thank you, God, for sunny days, so we can eat and run and play. Thank you, God, for stars and moon at night so we can see with your night time lights -the stars and moon! Thank you, for our Bible Class so we can learn about many things such as Ollie Owl.

In Jesus' name we pray,
Amen.
