

Turtle Puppet on a Stick Pattern

Songs for Turtle Mini Unit

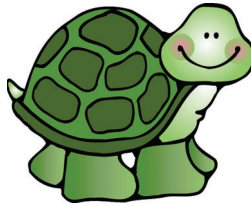

POEM:

God our Father made our friend
the pokey little turtle.
See him crawling, oh so slow.
He's never in a hurry.
Thank You, God, for the turtle.

TUNE: Rock a Bye Baby

Peek-a-boo turtle.
I can see you.
Peek-a-boo turtle.
He sees me, too.
Turtles are pokey.
That's how they go.
Turtles are pokey.
God made them slow.

TUNE: Yankee Doodle

Turtle hides inside his shell.
I can't see him very well.
When the turtle starts to creep,
he plays peek-a-boo with me.

Tune: Farmer in the Dell

The turtle's in his shell.
The turtle's in his shell.
Now watch very carefully.
The turtle will peek out!

Tune: Hickory Dickory Dock

Munchity, munchity munch!
The turtle likes to crunch
on spinach leaves and lettuce treats.
Munchity, munchity munch!

Verse 2:

The turtle will peek out!
The turtle will peek out!
Now watch very carefully.
The turtle will peek out!

Verse 2:

Creepity, creepity, creep.
The turtle has to creep.
His creep is slow while on the go.
Creepity, creepity, creep.

Verse3:

The turtle creeps along.
The turtle creeps along.
Now watch very carefully.
The turtle creeps along.
