

Blue Bird Puppet on a Stick Pattern

Songs for Bird Mini Unit

TUNE: Farmer In The Dell

The birds like to eat.
The birds like to eat.
The mother and baby birds
They all like to eat.

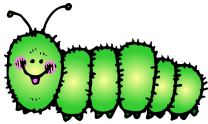

Verse two:

They like to eat green worms.
They like to eat black bugs.
Mother and baby birds
They all like to eat.

TUNE: I'm a Little Teapot

Tiny baby birdies in your nest
Close your little eyes and rest, rest, rest.
Soon the mommy birdie
Oh, so sweet will bring her babies
worms to eat.

Verse Two

Tiny little mouths sing peep, peep, peep.
Birdies' little tummies say "It's time to eat".
Mommy feeds her babies worms and bugs.
Babies close their eyes and
go to sleep.

TUNE: Go in and out the Window

Oh, listen to the blue bird
Oh, listen to the blue bird
Oh, listen to the blue bird
Sing a song to me.

TUNE: This Old Man

Birdies sing. Birdies sing.
Thank You, God, for birds that
sing.

TUNE: Twinkle, Twinkle Little Star

Little birdies in the sky
Little birdies flying by
Little birdie tell me why
God made birdies fly so high.

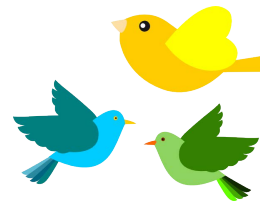

TUNE: Oh Suzanna

The birds are singing
singing in the trees.
If you listen carefully,
they are singing sweet
songs to me.

TUNE: Down By the Station

Out in the elm trees early in the
morning
See the little robins all in a row.
Hear the little robins sing a little
song.
Tweet—tweet, tweet—tweet,
off they go.

TUNE: Jack and Jill

Mimi sees a pretty bird.
God gave her eyes to see.
and I see a pretty bird
with eyes that God gave
me
