

Songs for Butterfly Mini Unit

Tune: Twinkle, Twinkle, Little Star

Butterfly in the sky
Butterflies go flying by. Butterflies
sip nectar too.

God made butterflies for you!

Tune: Yankee Doodle

Fuzzy, wuzzy caterpillar
Crawling on the ground
He's humping up his little back and
crawling all around.

Verse two:

Crunchy, crunchy caterpillar
Crawling on a tree.
He's eating up a tiny leaf
and sometimes two or three.

Verse three:

Busy, busy caterpillar
making a cocoon,
He's getting ready for a nap so very, very
soon.

Verse four:

Wiggly, squiggly caterpillar
Sleeping up so high,
Wake and show us that you are a pretty
butterfly.

Verse five:

Flitter, flutter butterfly,
Try your wings so new!
You'll fly about from flower to flower.
That is God's plan for you.

Tune: Yankee Doodle

Creepy, Crawly Caterpillar,
You're a friend to me!
Soon you'll be a butterfly
and wave your wings at me.

Tune: I Saw Three Ships

I saw a worm go wiggling by,
wiggling by, wiggling by
I saw a worm go wiggling
by. Soon he'll be a
butterfly

Tune: Over in the Meadow

Over in the meadow
in a pretty green tree were
three brown cocoons and a
butterfly, too.

"Fly," said the butterfly.

"Fly if you can."

And they flew and they
flew as butterflies do
