

Songs for Snow Mini Unit

TUNE: Hot Cross Buns

See it snow.
See it snow.
See it falling.
Softly falling
See it snow.

TUNE: Farmer In The Bell

I see the snow flakes fall.
I see the snow flakes fall.
Softly, they're falling down.
I see the snow flakes fall.

TUNE: Jack and Jill

Snow flakes fall
upon the ground.
They cover it with white.
Snow flakes fall
all through the day.
They're such a pretty sight.

TUNE: Yankee Doodle

Snow flakes fall up on the ground.
I roll them in to balls.
Then, I stack them way up high
and make a snow man tao.

TUNE: I Love Little Pussy

I like to make snow men
with shiny black eyes
and long carrot noses
and bright red bow ties.

TUNE: Down At The Station

Out in the garden on a winter morning,
see the little snow flakes so soft
and fluffy white.
God sent little snow flakes falling
in the night.
Fluffy snow flakes
fell all night.

TUNE: Are You Sleeping?

Snow is falling . Snow is falling .
Falling down, Falling down,
Dressing up the trees,
Dressing up the trees,
Just for me.
Just for me.

TUNE: I Put My Right Hand In

I like to make snow balls.
I like to make snow balls.
I roll them all so hard and
I like to make snow balls.
